

# CALLING ALL MARK MASTER MASONS

Can you help the Provincial Grand Master RWBro John Morgan form a bowls team to compete against the Provincial Grand Master RWBro Stuart Hadler and his craft team of bowlers twice a year? In the spring (March) the match takes place inside at the Taunton bowling centre and in the summer (July) outside at Shepton Mallet bowling green.

No previous experience is necessary just a willingness to take part and enjoy a game of bowls!

No special kit required but you **must** wear flat bottomed shoes, sandals, slippers or perhaps socks!

The day usually starts about 10.00 am with a cup of coffee/tea and biscuits followed by twenty or so ends and finishes with lunch which in the summer is usually a salad and dessert and in the spring a roast meal-all for about £10 per game!

Playing and non playing wives are welcome.
