

SOMERSET TRAVELLING KEYSTONE

Recommended form of words to be used by the Master or his representative when delivering the Somerset Travelling Keystone.

Worshipful Master, since 1989 this Keystone has travelled the Province helping to create new friendships and strengthen existing ones. In order that it may continue on its journey it is now my pleasure to present to you on behalf of the -
_____ Lodge.

It is a symbolic representation of the Mark Degree. It is the stone, which the builders rejected and which ultimately became the headstone of, the building.

It shows the importance of having faith in one's own achievements even when they are not appreciated by other people.

It shows too that the weakest often display perseverance far better than the strongest and that all have apart to play in the building of life.

I hope that this particular Keystone will continue to promote the exchange of Goodwill and Fellowship between Lodges in the Province.

Would you, Worshipful Master, please deliver this Keystone to

The _____ Lodge of M.M.M. on the _____, accompanied by as many of your Brethren as possible. At that meeting may you all enjoy that special fellowship which exists between Mark Master Masons
