#### Senior Warden

#### W Bro Roger Reina

A few things to know about W Bro Roger

I was born in Taunton in 1961.

We lived in a village called Parbrook and I went to Baltonsborough primary school. I then attended Elmhurst grammar school, until it merged with Crispin comprehensive. We then moved to Coxley, where my parents ran a restaurant, and I moved to Wells Blue School.

On leaving school, my first job was as a pricing/costing estimator at a local plastics company, which I did for about a year when an opportunity to get into I.T. came up at Clarks Shoes in Street. I stayed with Clarks for the next 38 years until I retired in 2017, my final role being the I.T. Applications Service Manager.

I got married in 1982 to Wendy, and we moved to Glastonbury, where we had our only daughter Emily in 1986. In 1990, we moved out to Havyatt near West Pennard, where I still live. Unfortunately, after being diagnosed with Alzheimer's Disease in 2016, Wendy died in 2022.

My daughter, son-in-law, and three granddaughters live next door to me, so when time permits, I enjoy taking the grandchildren out for excursions and days out. My sister also lives next door on the same site and having family so close by has enabled me to perfect my culinary skills and I am able to cook a good roast dinner, including Yorkshire Puddings.

#### My Masonic Journey

I have been a member of Pilgrim's Lodge 772 since 1992, where I am the current Secretary and Almoner and have the Provincial rank of PPrGSwdB.

In Royal Arch, I was exalted into Avalon Chapter 446 in 1996, where I am the current Scribe E and have a rank of PGStB, and am the current Provincial Registrar

In the Mark Degree, I was advanced into Mendip Mark 781 in 2003, where I am about to become the Secretary in March and have been ProvlofW and ProvSO. I am also a member of Geoff Seaman's Team of Improvement, delivering parts of the Mark and RAM tracing boards around the province. I am also the current JW in Portal 155 Ark Mariners.
